

Executive Summary for ChatBot

Vastu Vihar (Technoculture Building Centre Pvt. Ltd.) is a major Eastern India real-estate developer focused on **affordable residential housing**. The company – founded in 1994 in Patna (with HUDCO/BMTPC support) – has delivered over **50,000 homes** via ~65 projects across 65+ cities in Bihar, Jharkhand, Odisha, West Bengal and Uttar Pradesh and Nepal,. We gathered detailed site content to draft a prioritized, user-intent focused FAQ, covering company profile, project offerings, property types, locations, pricing and booking, amenities and more. Answers use official site text where available; gaps are noted as “(unspecified on site)” with recommended phrasing. The full FAQ set, organized by category, includes 40–80 Q&A pairs plus suggested short user prompts for each.

Key insights: Vastu Vihar’s **company overview** and credentials emphasize its affordable -cost housing mission and scale. Site pages list **dozens of projects** (phase-wise) with unit mixes, RERA details and addresses. Property offerings include **1–5 BHK flats, bungalows, duplexes, row houses, and special “hybrid” homes**. Locations span many cities in Eastern India, with head office in Patna. Price ranges vary widely (e.g. ₹17–24L flats to ₹1.2–1.8Cr CEO villas, and full financing details are not specified. Key **amenities** across projects include landscaped parks, playgrounds, a swimming pool, 24×7 security, yoga/meditation center, society hall, shopping center, boundary wall, rainwater harvesting and backup power. The site also highlights advanced **construction technology** (self-healing concrete, insulated walls/roofs, solar solutions) underlining green features. Contact information (Patna office address, phone, email) and inquiry forms are available for bookings. Many specifics (e.g. financing assistance, customization, post-sale maintenance, COVID measures) are **unspecified on the site**; recommended neutral answers are provided for those.

This FAQ report is structured into categories (with priority labels) and contains 50+ question-answer pairs. Each answer cites relevant site pages. A summary table of FAQ categories and priorities precedes the detailed Q&A.

Category	Example Questions	Priority
Company Overview	“Who is Vastu Vihar?”, “When were you founded?”	High
Services Offered	“What do you build?”, “Do you handle commercial projects?”	Medium
Projects (Current/Past)	“What projects do you have now?”, “Where are your projects?”	High
Property Types	“What property types are available?”, “What is a Hybrid Home?”	High
Locations/Coverage	“Which cities/states do you operate in?”	High
Pricing/Financing	“What are the price ranges?”, “Loan/EMI options?”	High

Booking/Enquiry Process	"How to book?", "Do you have an online enquiry form?"	Medium
Site Visits/Virtual Tours	"Can I schedule a site visit?", "Are virtual tours available?"	Medium
Legal/Approvals/Due Diligence	"Are projects RERA-approved?", "Title verification?"	Medium
Amenities/Facilities	"What amenities are included?", "Is there a pool/gym?"	High
Timelines/Delivery	"When will the project be completed?"	Medium
Floor Plans/Specifications	"Are floor plans available?", "What are unit sizes?"	Medium
Customization/Finishes	"Can I customize my home?"	Low
Resale/Rental Support	"Do you help resell or rent units?"	Low
Maintenance/HOA	"Is post-sale maintenance provided?"	Low
Contact/Support	"How can I contact you?", "Office locations?"	High
Credentials/Awards	"Do you have testimonials or awards?"	Low
Sustainability/Green	"What green features do you offer?"	Medium
COVID/Health Safety	"What COVID protocols are in place?"	Low
Privacy/Data (Chatbot)	"How is my data used by the chatbot?"	Low

Each FAQ pair below includes a concise answer (usually one paragraph) citing the site. For each question, we also list one or two short "trigger" phrases that a chatbot could use to route user queries to this FAQ.

Company Overview

- **Q: Who is Vastu Vihar (Technoculture Building Centre Pvt. Ltd.) and what is your background?**

A: Vastu Vihar is the **flagship brand** of Technoculture Building Centre Pvt. Ltd., a leading construction group in Eastern India. Founded in 1994 (co-sponsored by HUDCO and BMTPC), the company has a presence in over 65 cities across Bihar, Jharkhand, Odisha, West Bengal, Uttar Pradesh and Nepal. With 1,700 staff, Vastu Vihar has successfully completed about **50,000 houses** to date. We focus on **affordable housing** while providing the resources of a large group.

Triggers: "About Vastu Vihar", "Company profile"

- **Q: What is Vastu Vihar's mission or vision?**

A: As stated on the site, Vastu Vihar's vision is to **"usher in a better future by enhancing people's quality of life and living standards through the provision of affordable housing and business centers."** Its mission is to be "the leading provider of quality construction and engineering services in India," upholding high standards of excellence and service. In practice, this means delivering cost-effective

homes with modern amenities, aiming for customer satisfaction and community development.

Triggers: “Vision of Vastu Vihar”, “Company mission”

- **Q: How long has Vastu Vihar been in business?**

A: Vastu Vihar (Technoculture) was **established in 1994**, so it has over 30 years of experience in real estate and construction. It started with just a small 11-unit project and has grown to delivering tens of thousands of homes.

- *Triggers:* “Founded Vastu Vihar”, “How long operating”

- **Q: What is Vastu Vihar’s track record or success story?**

A: The company’s success story highlights a growth from its first 11-unit colony to providing homes for around **50,000 families**. Vastu Vihar has delivered ~50,000 houses with 1,700 staff over 65+ cities. This shows a strong track record in low-cost housing.

Triggers: “Vastu Vihar success”, “Track record”

- **Q: Is Vastu Vihar a government-backed or private firm?**

A: Vastu Vihar is a **private company** (Technoculture Building Centre Pvt. Ltd.), though its early projects were supported by government bodies HUDCO and BMTPC. It operates like a private developer but maintains ties with public housing initiatives (e.g. MSME programs).

Triggers: “Government or private company”, “HUDCO BMTPC”

Services Offered

- **Q: What kinds of real estate projects do you develop?**

A: Vastu Vihar mainly develops **residential projects**, including **cottages, bungalows, row houses and apartments**. Projects typically offer units from **1-BHK up to 5-BHK**. For example, our Bhubaneswar Phase-1 includes cottages, bungalows, row houses and 2–5 BHK apartments. We also engage in related services like providing skills/business centers (see Business Center program) and may develop community amenities (parks, halls, etc.). Currently, we do not list shopping malls or commercial complexes (site’s “Shopping Complex” section has no details).

Triggers: “What projects do you build”, “Residential or commercial”

- **Q: Do you offer commercial or office space projects?**

A: The site mostly highlights **residential projects**. However, Vastu Vihar also runs a **Business Center initiative** for entrepreneurship (with MSME) in cities like Patna, Kolkata, Ranchi etc.. This is more of a training/incubation service than a saleable property. No specific commercial office/building projects we

Triggers: “Commercial projects?”, “Business Center”

- **Q: What are your “Building Models” or home designs?**

A: The “Building Models” page lists many home models (e.g. Ambika Bungalow, Krishna Concrete Home, Mangalam Bungalow, various flats) with prices and specs. Models range from single-storey 1–3 BHK homes to multi-storey 5 BHK villas. Each model has square footage and bedroom count. For example, the Mangalam Bungalow is a stylish 3 BHK duplex (~1100 sq.ft), and we offer 2/3 BHK flats around 800–1100 sq.ft. All models indicate parking and other key features.

Triggers: “Home designs”, “Building models list”

- **Q: What is a “Hybrid Home” model?**

A: The Hybrid Homes model is one of our unique designs. It is a single building divided into **three independent 2-BHK flats**, essentially providing three separate units in one structure. This caters to extended families or rental income needs. The site describes it as an “excellent masterpiece... 3 independent luxurious 2 BHK flats in a single house.”

Triggers: “Hybrid home”, “What is hybrid bungalow”

Projects (Current and Past)

- **Q: What residential projects are currently available?**

A: We have ongoing projects (often “Phase” developments) in many cities. For example: *Patna Phase-03* (61 units with 5-BHK bungalows, 3-BHK & 2-BHK flats, including a pool and garden); *Dehri-on-Sone Phase-1* (mix of 1–5 BHK cottages, bungalows, row houses and apartments); *Gaya Phase-3, 4, 5* (each a mix of 1–5 BHK units) *Bhubaneswar Phase-1* (varied 2–5 BHK cottages, bungalows, row houses, apartments). Complete details (locations, amenities) are on the project pages (see Price List or Projects menu). Each project page lists the site address, unit mix and RERA registration.

Triggers: “Current projects”, “Project details”

- **Q: Can you give an example of a project and its features?**

A: Yes. For instance, **Patna Mathiyapur Phase-03** has 61 units – a mix of **5 BHK bungalows, 3 BHK and 2 BHK apartments**. It includes amenities like a **swimming pool, garden and playgrounds**. The site shows its address (Mathiyapur, opposite Omega Mission School, Danapur-Shivala Road, Patna) and a RERA registration number. Similarly, **Gaya Phase-3** will offer cottages, bungalows, row houses and 1–5 BHK apartments, with modern facilities.

Triggers: “Project example”, “Patna Phase-03 features”

- **Q: Are your projects RERA-approved or legally compliant?**

A: The site explicitly lists RERA registration numbers for projects. For example, Patna Phase-03 shows “*Rera Registration No – BRERAP00015-8/239/R-814/2019*”. This suggests projects are registered under the Bihar RERA. We recommend buyers verify RERA and NOC status. (Note: RERA numbers are given on project pages; for land title and approvals, we advise following RERA guidelines and verifying documents.)

Triggers: “RERA registered”, “Legal approvals”

- **Q: Can I see a master plan or model of the project?**

A: Project pages show “*Master Plan*” sections and “*Models of Project*” (floor plans) with images (e.g. 2D/3D plans) as clickable items. For example, clicking “*Master Plan*” or a “*View Detail*” under a model image will show the layout or floor plan. Floor plans are provided in 2D and 3D on model pages. Access usually requires clicking the project or model link on the site.

Triggers: “Master plan”, “Floor plan”

- **Q: How can I find your price list or project list?**

A: The **Price List** page categorizes projects by branch/state. Each project name (city & phase) is clickable (e.g. “*PATNA PHASE-02*”). Clicking it shows details and

prices. The menu also lists Projects by city (e.g. “Patna”, “Gaya”).

Triggers: “Price list”, “Project list”

Property Types

- **Q: What types of residential units do you offer?**

A: We offer a wide range: **Single- and multi-storey bungalows** (from 2BHK to 5BHK and even larger villas), **row houses**, **cottages**, and **apartments/flats** (typically 1BHK, 2BHK or 3BHK). For example, our Ananta Bungalow is a 3BHK duplex, and the CEO Bungalow is a luxury 5BHK villa with rooftop pool and gym. Our project introductions mention 1–5 BHK options: e.g. “Cottages, Bungalows, Row House & Apartments such as 1, 2, 3, 4 & 5-BHK”. In the Building Models page, you can see flats (525–800 sq.ft), and various bungalow models (often 1000–2500+ sq.ft).

Triggers: “Housing types”, “What units available”

- **Q: Can you tell me about your flat/apartment offerings?**

A: Yes. We have **1-BHK, 2-BHK and 3-BHK flats**. For example, one model (“Ganga New 2BHK”) offers a 2BHK flat (~525 sq.ft). Another listing shows 2 & 3 BHK flats around 800 sq.ft. Apartments come with kitchens and bathrooms as usual. Flats are featured in many projects’ unit mixes (see project pages or models).

Triggers: “Apartment options”, “Flats”

- **Q: Do you build multi-storey houses (duplex/triplex)?**

A: Yes. Many models are multi-storey. For example, the Triveni Bungalow is a luxurious **triplex (3 floors)** with a 5-bedroom option. The Ananta Bungalow has Duplex Bungalow (3 BHK). We also offer double-story bungalows (e.g. Kaveri Bungalow is 2-storey).

Triggers: “Duplex, triplex houses”, “3-story house”

- **Q: Can you describe a sample model in detail?**

A: Take the **Ananta Bungalow (2 Floor)**. It sits on a 1080 sq.ft. plot with 1,800 sq.ft. built-up. It has *3 bedrooms, 3 toilets, a semi-open kitchen, two master suites with attached baths and Italian tiles*. Features include double-height roof cut-out for light, two large balconies, a rooftop pergola and gym, and a prayer (puja) room. It also has a parking space and dedicated gardening area. This illustrates the quality and layout style of our bungalows.

Triggers: “Example model details”, “Ananta Bungalow”

- **Q: What is the “Jayanti Bungalow”?**

A: Jayanti is a model we offer. In Building Models it’s described as a budget-friendly 3 BHK home with ~1000 sq.ft.

Triggers: “Jayanti model”, “Jayanti Bungalow details”

- **Q: What is “Kaveri Bungalow”?**

A: The Kaveri Bungalow model is a **double-story 4 BHK** unit of about 1400 sq.ft. It’s described as a luxury home with living room, 2 bedrooms, kitchen, bathroom and car parking. This exemplifies our medium-sized bungalows.

Triggers: “Kaveri model”, “What is Kaveri Bungalow”

- **Q: What are the sizes of your homes?**

A: Sizes vary by model. Flats range from about **525 sq.ft to 824 sq.ft** for 2–3 BHK. Bungalows range from ~1100 sq.ft (compact 3BHK) to **2500 sq.ft or more** for big

villas. Floor plans (in model pages) give exact built-up/carpet areas for each design.

Triggers: “House sizes”, “Square footage”

- **Q: Do you offer furnished units or just bare shell?**

A: The site describes finishes (Italian tiles, modular kitchen, etc.) but does not detail delivery specs. It mentions features (luxury finishes, modular kitchen, bathroom tiles) in model descriptions. Likely units come with basic finishes (tiles, electrics), but “move-in ready” vs. bare isn’t specified.

Triggers: “Furnished homes?”, “Furnishing details”

Locations and Coverage

- **Q: In which cities or states is Vastu Vihar active?**

A: Vastu Vihar operates across **65+ cities** in **Bihar, Jharkhand, Odisha, West Bengal, Uttar Pradesh and Nepal**. The projects menu lists many specific cities, e.g. Patna, Gaya, Bhagalpur, Ara, Darbhanga, Hajipur, Ranchi, Jamshedpur, Bokaro, Dhanbad, Varanasi, Siliguri, Kolkata, Bhubaneswar, Rourkela, etc.. In summary, our coverage is mostly Eastern India, with branch offices in each state (see Contact page).

Triggers: “Where do you build?”, “Cities coverage”

- **Q: Where is your corporate or main office?**

A: Our head office is in Patna, Bihar. The site lists the Patna address as “**301/302, Konarkshree Apartment, RBI Road, Exhibition Road, Patna-800001**” (and also 417–419 Aashiana Tower, Exhibition Road on some pages). Key contacts: Enquiry email info@vastuvihar.org, phone +91-95340-95340 (customer care). We also have branch offices in many of the cities listed (see Office Contact page).

Triggers: “Office address Patna”, “Headquarters”

- **Q: Do you have a presence outside India?**

A: Yes, we have presence in Nepal too.

Pricing and Financing

- **Q: What are the price ranges of your properties?**

A: Prices vary widely by project and unit. From the Building Models page, examples: affordable 2BHK flats are about **₹10–24 lakh**, mid-sized 3BHK bungalows **₹35- 45 lakh**, and luxury 5BHK villas (CEO Bungalow) **₹1.20–1.80 crore**. So overall prices range from around ₹10 lakh up to ₹1.8 crore, depending on location and size. For exact pricing, see the specific project’s price list or contact us (all price lists are on the site).

Triggers: “Price range”, “Cost of flats”

- **Q: Are prices fixed or can they change?**

A: Site does not explicitly say. Typically, listed price ranges (e.g. “₹17-24 Lac” or “₹1.20-1.80 Cr”) include all charges at booking. We recommend assuming listed prices are approximate and subject to final confirmation (e.g. for particular unit).

Triggers: “Price change”, “Fixed price”

- Q: Does the price include GST and other taxes?**

A: The website does not detail taxes. Usually, property prices exclude government taxes unless stated. We suggest clarifying this when booking.

Triggers: "GST included?", "Taxes in price"
 - Q: Is there any home loan or EMI facility?**

A: The site does not describe financing options (unspecified). In practice, buyers usually arrange home loans via banks. We recommend stating: *"We assist customers in applying for home loans with major banks/lenders. Our sales team can provide necessary documentation and guidance. Financing terms depend on the bank. Please contact our sales office for assistance."*

Triggers: "Home loan", "EMI plans"
 - Q: How much is the down payment?**

A: Not specified on site. Typically developers ask for a certain percentage (e.g. 10-20%) at booking. You may say: *"Down payment varies by project and payment plan, but often around 10-20% of the unit price. Exact terms are given in the booking agreement."*

Triggers: "Booking amount", "Down payment"
 - Q: Do you have a payment plan for installments?**

A: The site does not list payment schedules. In absence of details, advise: *"Payment plans (construction-linked or fixed-installment) are finalized at booking. We typically offer phased payments tied to construction milestones. Please inquire for specific project plans."*

Triggers: "Payment schedule", "Installments"
-

Booking and Inquiry Process

- Q: How can I book a unit or apartment?**

A: You can book by **contacting our sales office or submitting an enquiry** on the website. For example, our "Enquiry" page has a form and corporate contact details. You can also schedule a visit via the project page (some have a "Schedule a visit" form). Typically, you fill a booking form, pay the token deposit, and sign a sales agreement. Exact steps (documents, deposit) are provided by the sales team.

Triggers: "How to book", "Book a flat"
- Q: Is there an online inquiry form?**

A: Yes. The **Enquiry** page has a web form where you can enter your name, contact, email, address and a message. Submitting it will prompt a call or email from our team. You also agree to receiving calls/SMS when you submit. Additionally, each project or model page often has a "Schedule a visit" or enquiry widget (e.g. Bhubaneswar page).

Triggers: "Enquiry form", "Contact form"
- Q: What documents are needed to book?**

A: The site does not list document requirements (unspecified). Generally, booking a property in India requires identification (Aadhaar/PAN), proof of funds or loan approval, and signatures on an agreement. We recommend: *"You will need proof of identity (e.g. Aadhaar/PAN), address proof, and bank details. We also require you to sign the booking form/agreement. The full list will be provided by our sales staff."*

Triggers: "Booking documents", "Required papers"

- **Q: Can I reserve a property with a phone call or email?**

A: You can express interest via phone/email, but formal booking requires a filled form and deposit. The site lists **Customer Care** +91-95340-95340 and email info@vastuvihar.org. For serious bookings, we encourage filling the enquiry form or visiting the office.

Triggers: "Reserve house", "Book by phone"

- **Q: Do you charge any non-refundable booking fee?**

A: The site doesn't mention fees. Common practice is a refundable token deposit (e.g. 10% of price) and later installments. We suggest: *"A token deposit (often ~10% of the unit price) is taken at booking. It is generally adjustable against the final amount. The terms (refundability) are in the booking agreement."*

Triggers: "Booking fee", "Token amount"

Site Visits and Virtual Tours

- **Q: Can I visit a project site before booking?**

A: Yes. You can schedule a site visit by contacting the sales office or using the "Schedule a visit" form on some project pages. For instance, the Bhubaneswar project page has a "Schedule a visit" form. It's best to call our office (+91-95340-95340) to arrange a convenient time. For ongoing construction, we provide guided visits.

Triggers: "Visit site", "Site visit"

- **Q: Do you offer virtual tours or 3D walkthroughs?**

A: The site does not provide virtual tours. We have 2D/3D floor plans and images on model pages, but no interactive virtual tours. You may request additional visuals or a video tour from our team.

Triggers: "Virtual tour", "3D tour"

- **Q: Can I view sample flats or showrooms?**

A: The site does not mention model flats or offices (unspecified). We recommend saying: *"We may have model units or showrooms for certain projects. Please ask our sales team – they can arrange a visit to a sample flat if available."*

Triggers: "Model apartment", "Showroom"

Legal, Approvals and Due Diligence

- **Q: Are your projects RERA-Registered?**

A: Yes, our projects list RERA registration numbers. Which is enlisted at Respective RERA Website of concern State.

- **Q: How do I verify the legal title of the land?**

A: "You can verify it directly with us. A Due Diligence Report is prepared for every land parcel we develop, and a copy is kept at each branch office. Visit your nearest branch and our designated Legal Executives will make the report available for your inspection and answer your queries on the title free of cost. You are, of course, also free to have the title documents examined independently by your own advocate."

- **Q: Do you obtain building permits and NOCs?**

A: By law, we obtain necessary building plan approvals and NOCs as per the government compliances.

- **Q: Will I get completion and occupancy certificates?**

A: "Yes. On completion of construction we obtain the Completion Certificate and Occupancy Certificate from the competent authority having jurisdiction over the project, and these are made available to allottees. You will also receive your Allotment Letter at the time of booking and the Possession Letter when the unit is handed over."

Amenities and Facilities

Vastu Vihar projects include many amenities – e.g. landscaped parks, children's play area, swimming pool, 24×7 security, gym/yoga center, society hall, shopping complex, Vastu-compliant design, water & power backup.

- **Q: What community amenities are included in your projects?**

A: Our projects typically include extensive community facilities as shown on the Amenities page. These include a **landscaped garden/park, children's play area, swimming pool, 24×7 security, yoga/meditation center, society community hall**, and even an **on-site shopping center** for daily needs. Projects are enclosed by a high boundary wall with guards, ensuring privacy and safety.

Triggers: "Amenities list", "Facilities provided"

- **Q: Is parking provided for vehicles?**

A: Yes, most units include parking. For example, many bungalows advertise "ample parking space" (e.g. 6 bikes + cars). The Ananta Bungalow specifically mentions premium parking tiles and space for one vehicle. Apartment projects usually have designated parking slots.

Triggers: "Parking availability", "Vehicle parking"

- **Q: Do you provide 24-hour security or gated-community?**

A: Yes. The site notes **24-hour security services** at projects. All entrances have guards, and the perimeter wall protects the community. Residents can feel safe and secure around the clock.

Triggers: "Security services", "Gated community"

- **Q: What power and water facilities are available?**

A: Projects have robust utilities: **24×7 generator backup** in common areas and inverter provision for flats. The site also mentions abundant water supply via on-site wells and rainwater harvesting to recharge groundwater. So expect continuous water and power availability (barring external outages).

Triggers: "Power backup", "Water supply"

- **Q: Are the buildings Vastu-compliant?**

A: Yes. The amenities page states that "*the whole project follows all possible Vastu principles*" to ensure peace of mind. This means home layouts and orientation have been designed with traditional Vastu guidelines.

Triggers: "Vastu compliance", "Vastu features"

- **Q: Is there a gym or health facility?**

A: While a stand-alone gym isn't listed, many models include a private gym. For example, the CEO Bungalow features a **rooftop gym**. Projects also have a dedicated yoga/meditation center. So yes, residents have fitness/wellness provisions (on site or in-unit).

Triggers: "Gym facility", "Fitness center"

- **Q: Is there a children's play area?**

A: Yes, a children's play area is explicitly provided in our townships. The text says "*children can safely enjoy our kids' play area...*". This includes swings and other play equipment.

Triggers: "Kids park", "Playground"

- **Q: Is there a swimming pool?**

A: Yes. Multiple projects feature a swimming pool. The description of Patna Phase-03 mentions a pool, and the amenities page confirms "*we are providing a swimming pool at your location*". Flats often come with community pools.

Triggers: "Swimming pool", "Pool availability"

- **Q: Is there a community center or hall?**

A: Yes, projects include a society/community hall for events (weddings, meetings, etc.). Residents can use this space for gatherings.

Triggers: "Community hall", "Society hall"

- **Q: Is basic shopping available on site?**

A: Yes. The amenities list mentions an on-site **shopping centre for daily needs**. This implies at least a small market or convenience store within the complex for residents' use.

Triggers: "On-site shops", "Convenience store"

Timelines and Delivery

- **Q: What is the typical delivery timeline for a project?**

A: The site does not provide fixed timelines (unspecified). Generally, each project has its own schedule based on approvals and construction progress. We recommend asking the sales office for estimated completion dates for your chosen project. Updates are often given per phase (e.g. Phase-3, Phase-4) with expected handover dates.

Triggers: "Completion date", "Delivery schedule"

- **Q: How are delays or completion guarantees handled?**

A: Not detailed on site. Standard practice is to contractually commit to timelines and penalize delays. We would state: "*We strive to deliver on schedule. Exact deadlines are in the sales agreement. In case of delays beyond control, we follow RERA provisions (e.g. compensation norms).*"

Triggers: "Project delay", "Late delivery"

Floor Plans and Specifications

- **Q: Are detailed floor plans available for units?**

A: Yes. Each model page (e.g. CEO Bungalow, Ananta Bungalow) provides links to 2D and 3D floor plans. Clicking “2D Floor Plans” or “3D Modern” shows layout diagrams. For apartments, the project pages’ “Models of Project” section often has thumbnails labeled 2BHK/3BHK with “View Detail”. These are accessible through the website.

Triggers: “Floor plan download”, “Unit layout”

- **Q: What are the construction specifications (materials, quality)?**

A: Specific material specs aren’t listed. However, our **Quality Policy** says we use high standards of construction and sustainability. The Technology page describes advanced construction methods (e.g. insulated brickwork, green concrete). You can assume use of good-grade bricks, cement, tiles, etc. You can request a list of materials (like cement brand, steel grade) from our team.

Triggers: “Construction quality”, “Materials used”

Customization and Finishes

- **Q: Can I customize the floor plan or finishes of my unit?**

A: The site does not mention customization options (unspecified). Typically, some changes may be allowed during planning (e.g. room layout) for extra cost. We recommend: *“Minor customizations (like interior changes or finish choices) can often be accommodated, subject to engineering constraints. Please discuss your needs with our sales team; we’ll see if they can be included in the plan.”*

Triggers: “Custom design”, “Change floor plan”

- **Q: Do you offer options for flooring, paint, fixtures?**

A: Not detailed on site. Likely, units come with standard finishes (as hinted in model descriptions: Italian tiles, modern kitchen). Optionally, we might offer premium upgrades (e.g. vitrified tiles, modular kitchens) at extra cost. Our advice: *“We provide a range of materials (tiles, bathroom fixtures, etc.) to choose from. You may upgrade to premium options through us or arrange your own after possession.”*

Triggers: “Flooring options”, “Finish selection”

Resale and Rental Support

- **Q: Do you assist in reselling or renting out my property later?**

A: This is not covered on the site (unspecified). Generally, after purchase you handle resale/rental yourself or via brokers. We recommend: *“We don’t buy back units, but we may share buyer leads from our own database if available. For rentals, we suggest local agents or online portals. Our after-sales team can advise on processes.”*

Triggers: “Resale help”, “Rent assistance”

- **Q: What if I decide not to buy after booking – is cancellation allowed?**

A: The site doesn’t say. Standard approach: *“Cancelling after booking may involve forfeiting the deposit (check agreement). If you cancel well before construction starts, you might get partial refund. For details, see the cancellation clause in the booking”*

agreement.”

Triggers: “Cancellation policy”, “Booking refund”

Maintenance and Society

- **Q: Who maintains the property after handover?**

A: The site doesn’t explicitly say (unspecified). Usually, a developer hands over maintenance duties to a housing society/association of owners. We suggest: *“Once the project is completed, residents usually form a society or maintenance group. Until then, Vastu Vihar may oversee common maintenance. We encourage buyers to clarify maintenance charges and arrangements at the time of handover.”*

Triggers: “Maintenance charges”, “After-sale maintenance”

- **Q: Is there an annual maintenance charge (AMC)?**

A: Not listed. If any AMC is applicable (for common areas, security, etc.), it should be mentioned in the sales documents. You can ask: *“AMC details will be provided by our accounts team; it typically covers security, lighting, landscaping, etc. Rates depend on project amenities.”*

Triggers: “AMC fees”, “Society charges”

- **Q: Are common areas managed by a builder or a housing society?**

A: Not specified, but usually, developers manage common areas until the statutory period (often 3-5 years) or until the residents form a society. You might say: *“Initially we manage the amenities and infrastructure. Once the society is formed, the community takes over these responsibilities.”*

Triggers: “HOA management”, “Common area upkeep”

Contact and Support Channels

- **Q: How can I contact Vastu Vihar for inquiries?**

A: There are multiple ways:

- **Phone:** Customer Care +91-95340-95340).

• **Email:** info@vastuvihar.org (general enquiries), or complaint.officer@vastuvihar.org for issues (both in site footer)

• **Address:** Corporate office at **301/302 Konarkshree Apt, RBI Road, Exhibition Road, Patna – 800001 (Bihar)**. Another head office address is “417-419 Aashiana Tower, Exhibition Road, Patna – 800001”

• **Web:** Use the website’s **Contact** page or **Enquiry** form.

- **Branch Offices:** The site lists local office addresses and managers for each city (e.g. **Patna office at Fraser Road**, plus dozens of branches). You can find the branch nearest you on the “Office Contact” page.

Triggers: “Contact info”, “Customer care”

- **Q: What are your business hours?**

A: The enquiry page lists **Mon–Sat 9:00–18:00, Sunday 10:00–14:00** for office hours. (This is likely Patna office; other branches may have similar hours.)

Triggers: “Working hours”, “Office hours”

- **Q: Who can I contact after purchase for support?**
A: After booking, we will assign you a **project manager or sales coordinator**. In each office contact listing, managers and their phone numbers are given (e.g. Patna's project manager Sunil Kumar Singh, 8102926293). You can also use the main number or email at any time.
Triggers: "After-sales", "Support team"
 - **Q: Is there a toll-free number or helpline?**
A: Yes, the site lists **Toll Free: +9534095340**. This number can be used for general inquiries and customer care.
Triggers: "Toll free number", "Helpline"
 - **Q: How do I report a complaint or issue?**
A: The site provides a **complaint officer email**: complaint.officer@vastuvihar.org. You can also write to info@vastuvihar.org with "Complaint" in the subject. Include your booking details. Our complaint officer will respond.
Triggers: "Complaint officer", "Report issue"
 - **Q: How do I apply for a job or career at Vastu Vihar?**
A: The **Career** link (forms.gle) in the quick links allows online job inquiries. For specific openings, send your resume to info@vastuvihar.org or call +91-95340-95340.
Triggers: "Careers at Vastu Vihar", "Job application"
-

Credentials, Testimonials and Awards

- **Q: Do you have customer testimonials or reviews?**
A: The website does not display customer testimonials (unspecified). We do have press coverage and events in our Media Gallery (e.g. Vastu Vihar Champions Trophy) but no direct testimonials. We recommend adding: *"We have served thousands of satisfied customers (see Success Story). For references, you may contact some homeowners in our completed projects."*
Triggers: "Testimonials", "Client reviews"
 - **Q: Have you won any awards or recognitions?**
A: Not explicitly mentioned. However, Vastu Vihar is known in government circles (MSME collaboration) and the site's "Champions Trophy" events reflect community engagement. We suggest: *"We focus on results over awards. We are recognized by state housing bodies and media, and our press releases highlight our credibility (see Media Gallery)."*
Triggers: "Awards", "Recognition"
 - **Q: What successes or credentials can you cite?**
A: Key credentials from the site: **HUDCO & BMTPC co-sponsorship at founding (1994), completed 20,000 houses**, and partnership with MSME/GOI for entrepreneurship centers. We hold ISO-like quality commitments (Quality Policy). These reflect our experience and trustworthiness.
Triggers: "Achievements", "Credentials"
-

Sustainability and Green Features

- **Q: Are there eco-friendly or green building features?**

A: Yes. The **Technology** page highlights several green innovations. We use **insulated walls and roofs** (rat-trap bond walls, filler slab roofs) for energy efficiency. We are adding **solar solutions**: moving solar roofs, solar LED roof lights, solar AC, solar water heaters to reduce energy use. We minimize VOCs and use a micro-organism sanitation system. Rainwater harvesting and abundant water supply are also included. In short, our construction methods and tech (like bio-concrete) aim to reduce carbon footprint and increase durability *Triggers: "Green features", "Eco-friendly projects"*

- **Q: Do the projects have rainwater harvesting?**

A: Yes. The amenities page mentions **rainwater harvesting**: *"Rainwater harvesting recharges natural sources of water."* We also have our own wells and abundant water supply. This makes our projects more sustainable.

Triggers: "Rainwater harvesting", "Water conservation"

- **Q: Do you use any renewable energy (solar, etc.)?**

A: Yes, the Technology section lists solar features: a **solar-moving roof** (rotates for optimal sun exposure), **solar roof lights (LED powered by sun)**, **solar air-conditioners**, and **solar water/room heaters**. These reduce dependency on grid power. We are committed to reducing our carbon footprint with these green energy solutions.

Triggers: "Solar power", "Renewable energy"

- **Q: Are the building materials eco-friendly?**

A: Partially. We innovate with **self-healing bio-concrete** (using calcifying microbes) and **insulated wall techniques**. These reduce cement usage and improve thermal comfort. We also mention VOC-free construction and use of local materials. Though not fully zero-carbon, our methods enhance sustainability compared to traditional building.

Triggers: "Eco materials", "Sustainable construction"

Safety and Health Measures

- **Q: What COVID-19 or health safety measures are in place?**

A: The website does not mention COVID policies (unspecified). Recommended answer: *"We follow all government guidelines for COVID safety at construction sites and offices. On-site: masks, sanitizers, limited visitors. For visits, please schedule appointments and maintain distancing. For sales/office interactions, we have sanitization and safety protocols. Health of clients and staff is a priority."*

Triggers: "COVID precautions", "Health safety"

- **Q: Do you have any fire safety or emergency plans?**

A: Not described on site. Generally, projects adhere to fire safety norms (extinguishers, exits) as per local regulations. We recommend confirming this during final inspections.

Triggers: "Fire safety", "Emergency systems"

- **Q: How do you ensure construction worker safety?**

A: Site does not detail this. A suitable answer: *"We are committed to worker safety. PPE (helmets, harnesses, masks) is mandatory on site, and we follow all labor*

regulations. Regular safety training and a safety officer on site ensure compliance.”
Triggers: “Worker safety”, “Construction site safety”

Privacy and Data (for Chatbot)

- **Q: How will my data be used if I chat with your AI chatbot?**
A: The site doesn't cover chatbot privacy (unspecified). A recommended policy answer: *“We respect your privacy. The chatbot only uses data you provide to answer your questions and improve service. It does not share personal info without consent. All data is handled per our privacy policy (which aligns with regulations). We do not sell or misuse your data. Feel free to ask about data handling, and we can provide details.”*
Triggers: “Privacy policy”, “Data security”
 - **Q: Will the chatbot store my personal information?**
A: Not on site. Suggest: *“Personal info provided via chat (like name or contact) is only used to help you (e.g. sending brochures). We do not store sensitive data longer than needed. The chat is designed for queries only.”*
Triggers: “Data storage”, “Personal info”
 - **Q: Is this chat secure and private?**
A: We should reassure: *“Yes. This chat is intended to securely assist you. We encrypt your inputs and handle them internally. We do not share your queries or identity with third parties unless required for support.”*
Triggers: “Chatbot privacy”, “Secure chat”
-

Suggested Chatbot Prompts

Below are example short prompts or keywords that users might say, mapped to the FAQ Q&A above:

- “Tell me about Vastu Vihar” (*Company Overview*)
- “Where do you operate?” (*Locations/Coverage*)
- “What projects are available?” (*Projects*)
- “Project list” (*Projects*)
- “What flats do you have?” (*Property Types*)
- “2 BHK price” (*Pricing*)
- “How to book an apartment?” (*Booking*)
- “Enquiry form” (*Booking*)
- “Schedule site visit” (*Site Visits*)
- “Virtual tour” (*Site Visits*)
- “RERA status” (*Legal*)
- “Legal approvals” (*Legal*)
- “Amenities in project” (*Amenities*)
- “Swimming pool” (*Amenities*)
- “Parking?” (*Amenities*)

- “Security” (*Amenities*)
- “When will it be completed?” (*Timelines*)
- “Floor plan” (*Floor Plans*)
- “Customize house plan” (*Customization*)
- “Resale property” (*Resale*)
- “Contact details” (*Contact*)
- “Office address” (*Contact*)
- “Customer care number” (*Contact*)
- “Testimonials” (*Credentials*)
- “Awards” (*Credentials*)
- “Green building features” (*Sustainability*)
- “Solar panels” (*Sustainability*)
- “COVID measures” (*Safety*)
- “How is my data used?” (*Privacy*)

These prompts should be programmed to trigger the corresponding FAQ answers.

Why is your project located outside the main city area?

Answer:

Sir/Ma'am, the project may be located slightly outside the main city, but it remains well connected to important city amenities and facilities. Good road connectivity makes daily travel convenient and keeps the city easily accessible.

2. What is your payment process? Can I get a 100% home loan or book a house with 0% down payment?

Answer:

Home loan approval depends on the customer's income, CIBIL score, repayment capacity, property eligibility, and the lending bank's policy.

A 100% loan or zero down payment cannot be guaranteed. Our team can assist you in connecting with the concerned bank or loan representative to check your exact eligibility.

3. What documents are required for booking?

Answer:

The following documents are generally required at the time of booking:

1. Booking Form
 2. Aadhaar Card
 3. PAN Card
 4. Applicable Price List at the time of booking
 5. Floor Plan
 6. Master Plan
 7. Printed Discount Approval Email, if any approved discount is applicable
 8. Passport-size Photographs
-

4. What documents are required for a home loan?

Answer:

The following documents are generally required for a home loan:

1. Last 3 Years' ITR
2. Last 6 Months' Bank Statement
3. Form 16, in case of a salaried employee
4. Aadhaar Card
5. PAN Card
6. Passport-size Photographs

The bank may also ask for additional documents depending on the customer's profile.

5. When will the house be handed over after booking?

Answer:

The expected handover period is generally around 24 months, subject to the project schedule and the terms mentioned in the booking or agreement documents.

The exact possession timeline should be confirmed for the specific project.

6. Are your houses under construction or ready to move in?

Answer:

Most of our available homes are primarily under construction.

Ready-to-move availability may vary depending on the project and location.

7. Can I customize the house design according to my preference?

Answer:

Limited internal modifications may be possible, subject to technical feasibility and company approval.

The external elevation and approved outer structure of the building generally cannot be changed.

8. What are the maintenance charges?

Answer:

Maintenance charges are generally approximately between ₹500 and ₹1,000.

The exact amount may vary depending on the project, location, and facilities provided.

9. Who pays for security – the customer or Vastu Vihar?

Answer:

Until the project is handed over, the security arrangements are generally managed by Vastu Vihar.

After project handover, security and common maintenance expenses may be managed by the residents or customer association.

10. Will both the house and the land be registered?

Answer:

The registration process depends on the project and the applicable approvals.

For applicable RERA-approved projects, the registration of the unit/house and land is carried out as per the approved project documents and applicable rules.

In projects where structure registration is not applicable, only the land may be registered as per the applicable terms.

For exact information, customers should confirm the registration structure with the concerned branch.

11. Is the price negotiable or fixed?

Answer:

Vastu Vihar prices are generally fixed as per the approved Price List.

Individual price negotiation is normally not applicable.

However, if any official scheme, discount, or approved promotional offer is available, the branch team will provide the details.

12. What are the parking charges?

Answer:

For applicable projects in Patna and Ranchi, the current parking charges are:

4-Wheeler Parking: ₹4,00,000

Bike Parking: ₹90,000

Parking charges may vary depending on the project and location. Customers should confirm the latest applicable charges at the time of booking.

13. Are Vastu Vihar homes designed according to Vastu principles?

Answer:

Most of our building designs are planned while keeping Vastu principles in consideration.

However, the exact orientation may depend on the plot, road direction, and approved project layout.

14. Can I construct an additional floor after the house is handed over?

Answer:

Yes, provision for one additional floor may be possible, subject to structural feasibility, applicable building rules, and approval from the concerned local authority.

Customers should obtain the required approval before starting any additional construction.

15. Can I rent out the house? Is there rental demand in the area?

Answer:

Yes, after possession, you can rent out your property subject to applicable rules.

Rental demand depends on factors such as location, connectivity, nearby offices, schools, hospitals, and local market conditions.

The concerned branch can provide better information regarding the rental potential of a specific project.

16. Can I verify the property documents before booking?

Answer:

Yes. You may visit the concerned Vastu Vihar branch and discuss the project-related documents with the authorized team.

You may also get the documents legally verified through your own legal advisor, subject to the applicable document-access process.

17. Which brands are used for finishing materials?

Answer:

The brand and specification of finishing materials may vary depending on the project, approved material list, availability, and construction stage.

For exact details regarding sanitary fittings, electrical fittings, tiles, doors, paint, and other finishing items, customers should check the latest Technical Specification or Material Specification of the concerned project.
